25X1

[redacted] Talked with Senator Jackson's staff and asked that they alert the Senator to the possibility that our retirement legislation would come up on the floor of the Senate for vote today.

25X1

[redacted] Talked to Chris Sylvester, in the office of Senator Milton Young, and asked that he alert the Senator to the possibility that our retirement legislation would come up on the floor of the Senate for vote today.

25X1

[redacted] Talked with Mr. C. B. Morrison, on the staff of Senator Ellender. He said that the Senator had been completely tied up with Committee meetings and he could not as yet predict when he could meet with us regarding his trip to the Soviet Union. I told Morrison that we did not want to press the Senator but were merely following up on the Senator's discussion with the Director.

25X1

[redacted] Talked with James Gehrig, Staff Director and Chief Clerk, Senate Committee on Aeronautical and Space Sciences, and told him we would be happy to show Senator Anderson the photography in which he had expressed interest. I suggested that Mr. Brandwein accompany us when it was shown to the Senator so we could be responsive to any questions he might have.

25X1

[redacted] Talked with George Murphy, on the staff of the Joint Committee on Atomic Energy. I advised him of USIB's action this morning of approving the [redacted] and told him that I would be bringing a copy as soon as it had been printed.

25X1

Murphy said he was leaving Sunday for the International Atomic Energy Agency meeting in Vienna. [redacted]

25X1

[redacted] In connection with his trip Murphy said he would like to "ask the routine questions" as to whether there was anything new in the general area of NATO security. He said that he had gotten a "vague blip" about something [redacted] He asked that I check on this and let him know what I find out when I see him tomorrow.
